1958

Mr Shott & Mr Nott decided to have a duel.
Nott got shot and Shott not, so it's better to
be Shott than Nott. If Shott not Nott who
shot Nott was shot, then Shott not Nott would
have been shot and Nott not.

History of the Class of 1958

With the opening of Hillsdale High School in 1955, the class of '58 was designated to be the original sophomore class. Our sophomore year was a year of firsts. We were the class to establish the Shield and the Scroll. We were under the capable leadership of Jan Van Noorden, President; Pat Boggess, Vice-President; and Sandy Smith, Secretary.

Danny Speck, President; Judy Galian, Vice-President; Zecele Schwartz, Secretary; and Carla Voorhees, Treasurer led us through our busy junior year. Many money raising projects were carried out, which included concessions at games, cookie sales, and a paper drive. A rally, a very successful one at that, was given before the Burlingame football game. The prom was the highlight of the year. It was held in the girls' gym, on Friday night of May 24, 1957. The theme was Tropic Isle. The gym was beautifully decorated with huge palms; a great time was had by all. It was a very memorable evening! Issuing of the fine class rings topped off our junior year.

From the realm of U. S. History and English 5 and 6, we stepped into the world of American Government, at last! We held our traditional Bow Day on October 10, 1957, and on the following night, we staged our Rally-Dance before the Burlingame football game. At the rally we tried some of the many violators of Bow Day. Next we had the Senior Luncheon in March. One of the highlights of the year was Dress Up-Cut Day. Weren't some of those outfits hilarious? Senior Follies was a success this year under the capable direction of Dee Lissauer and Carole Locatell. The biggest dance of the year was held in the beautiful California Country Club. The date will always linger in our minds, May 24. This was one of our two most thrilling evenings. And, of course, who will ever forget June 12? After the Graduation Ceremony we all went to the Elk's Club for the all-night party.

Realizing that many of us will not ever see each other again, good luck always in all your endeavors. . . .

ULF - DIETER FILIPP

Ulf-Dieter Filipp, Hillsdale's first Foreign Exchange Student, was born in Teplitz-Schonau, Germany, seventeen years ago. As an American Field Service Representative, Ulf came to Hillsdale through the combined efforts of the San Mateo Soroptimists Club and the Hillsdale student body.

His year began with a party given by Mr. and Mrs. C. W. Carlon and son, Tom, who were hosts to Ulf for his stay in San Mateo. He lived with them as a normal member of their family, witnessing daily life in America.

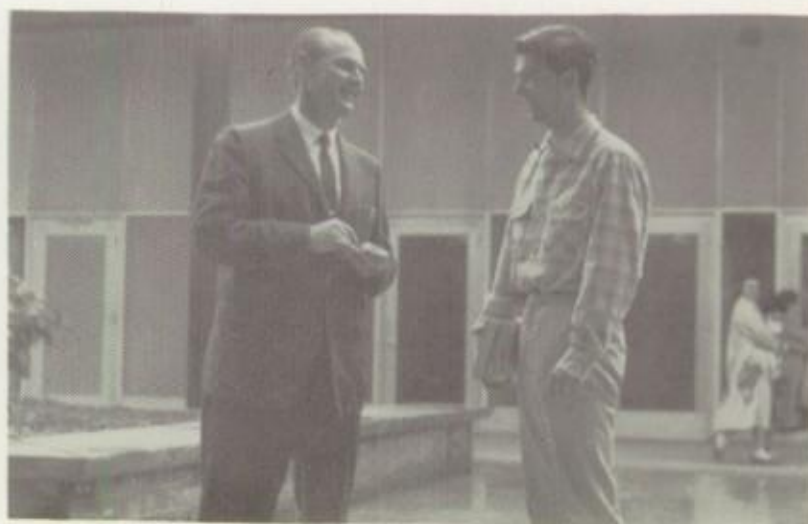

Our Foreign

Exchange Student

Midway through the year Ulf spent a week in Yuba City, taking the place of Antonio Ribas who came to Hillsdale. While at Hillsdale, Ulf was a member of student council, the chorus, the Music Club (president), and the swimming team. Concluding his stay in America, Ulf will travel across country seeing the wonders of the American continent.

It has been a joy for Hillsdale to know Ulf. He has enhanced our lives, enriched our knowledge, and enlivened our spirits.

Auf Wiedersehen.

The back row has two people, the middle row has three, and the front row has four. The group consists of five young men and four young women. They are dressed in mid-20th-century attire, including sweaters, button-down shirts, and dresses. The lighting is soft, and the overall tone is formal yet casual.

CLUBS AND ACTIVITIES

A. G. S.

ROW ONE, LEFT TO RIGHT: Julie Evanson, Julie Labenberg, Jan Van Noorden, Karen Rogers. **ROW TWO, LEFT TO RIGHT:** Miriam Rogers, Paulette Champion, Denny Kirkpatrick.

A year of great success was enjoyed by the A.G.S. Their many activities, both useful and entertaining, were enjoyed by all who attended or took part in them.

The year began with the annual "Little-Big Sister Tea" which acquainted the Freshmen girls with their school and classmates.

Next on the list of activities was the Christmas Formal. All the girls worked hard to make the dance the success that it was.

A Father and Daughter Night was the first activity of the new year. It provided a chance for dads and daughters to become better acquainted.

The next big activity of the A.G.S. was the Spring Fashion Show, which gave the girls a chance to view the coming fads.

"Fun" is the word to describe the time everyone had at the A.G.S. Fun Night, which was the last project of the year. Swimming, dancing, and games were a few of the activities that were offered to the energetic students.

Many interesting assemblies were held. We heard talks from an airline stewardess, and a model, and received instructions from a beautician concerning care and styling of hair to create an interest in ourselves and our future.

Beside these more important activities, cookie sales, running game concessions, and service projects, such as helping to support a foreign exchange student, showed the willingness of the girls to work for a better Hillsdale High School.

LEFT TO RIGHT: Pete Barizon, Bruce Darnley, John Jaeger. Not pictured: Jim Nesbitt.

Although the Associated Boys Students has not undertaken many projects this year, the activities it has sponsored have been enjoyed by those who participated in them. The A.B.S., with Dick Nichol, Jim Creighton, Ken Nussbaum, and Skip Redman as its fall officers, sponsored the A.B.S. Fun Night. Held in the gyms, this first activity of the school year provided a chance for students to renew old friendships and make new ones.

Interesting assemblies were also presented by the A.B.S. Car racing and stereophonic sound were among the topics discussed during these programs. Service projects were also sponsored by the A.B.S. The purchase of the baseball pitching machine, and the co-financing of Ulf-Dieter Filipp, our foreign exchange student, were both undertaken this year.

Pete Barizon, Jim Nesbitt, John Jaeger, and Bruce Darnley were the spring officers. Waiting on tables at the G.A.A. banquet was among the many activities planned for the spring semester.

"Excellent" is the only word that can adequately describe Hillsdale High School's Music Department this year. Its many activities have shown the willingness to work for perfection and have made it well known throughout the area.

The first project of the department was "Then and Now," a musical show put on to raise money for choir robes. At Christmas the students presented their annual Christmas Pageant to the school and the P.T.A. It was the first time the red and blue of Hillsdale's robes had been seen in public.

Our school was well represented in the District Festival in February. One hundred twenty students were sent as an example of our musical ability. In March we were ably represented in the Bay Area Section Music Festival and in April at the San Jose State Spring Concert, by our band, orchestra, and choir.

The year was concluded with a June Spring Concert in which the band and choirs performed, to the delight of the community.

Our school dance band was not idle during the year. They played at the San Mateo A.G.S. Spring Formal and our swim show, as well as at many other events.

The Music Club also spent a busy year selling Knight Books, and assisting the Music Department by acting as guides and working stands during the Elementary and Junior High Festival which was held at Hillsdale.

We owe a vote of thanks to our Music Department, under the direction of Mr. Duke Campagna and Mr. Robert Ish, for helping to make our year and the district's year more pleasant through music.

Parris was portrayed by Joe Altschule, his daughter was portrayed by Amy Jones and their colored maid by Susie Abramson. Comedy relief was provided by Rich Flanders as Giles Cory, a sarcastical old man who refuses to be taken in by the hysterical violence of the town. Principal's Message

Hillsdale High School has in the past two years demonstrated capacity for tremendous growth. This is true not only in a physical sense, since we have grown from six hundred twenty students to more than thirteen hundred, but even more in the sense of fulfillment of potential.

In two years the growth of cooperative enthusiastic spirit shown in our beginnings to our present position, has been phenomenal.

We have built and certainly will continue to build a school whose students and graduates will make us proud of the fact that we are all Hillsdale Knights.

At Hillsdale our students feel that academic achievement is not only acceptable but exceedingly desirable. Our teams are good, our student body government sound and yet we still have time for fun.

Let all loyal Knights pledge to continue in our present pattern and help to build for the future.

The Hillsdale Knights were pre-season favorites to finish last in the newly organized Peninsula Athletic League. The Knights however, led by three returning veterans, Len Nicholson, Joe Moriarty and Keith Mattos finished the 1957 season with a 6-win, 3-loss record and third place in the league standings.

We started the season rolling by stopping Tamalpais 27-0. Our first real test came with Serra, our next door neighbor, who was hypnotized by the throwing arm of Mattos and the brilliant catching by Gil Cyester and Haven Kolls. Our most disappointing loss of the season followed, when we gave up the ball to Burlingame on the two yard line, losing in the rain 13-7. Jefferson passed to defeat us 24-14. By mid-season the Knights suddenly came to life. Dick Strebel injured since the beginning of the season returned to the lineup and his speed coupled with good team effort saw the Knights win four straight games over Willow Glen, South City, San Mateo and Westmoor.

The Thanksgiving Day game saw Captains Len Nicholson, Dick Nichol, and Deane Kemper lead us into play against Capuchino at San Mateo field. The Knights fought their hearts out in the first half, holding the championship Mustangs to a 2-0 half-time score. In the second half Caps overwhelming speed and size won out, the final score being 22-0. High light of the game was Dick Strebel's called back 80 yard kick off return to a touchdown.

Coaches Collin, MacGraw and Therkselsen are looking forward to a fine season next year with a veteran loaded team returning.

THE JUNIOR CLASS

Our Junior Class had a busy year raising money for our many activities, both philanthropic and fun.

We sold pennants, ran concessions at sports events, and held food sales at school to raise money for our all important Junior Prom, which turned out to be a great success.

Our tremendous class spirit was shown when we won the Rally Commission's plaque for putting on the best rally.

Gathering food for the less fortunate at Christmas and sponsoring a dress-up day for the whole school were promoted to prove that the class of "59" will continue to uphold the fine traditions of the senior class and Hillsdale High School.

Sophomore Class

Although the Sophomore Class sponsored few formal activities this year, the entire class had worked as a unit to make Hillsdale High School a better school.

Their first project was the Frosh-Soph Fun Night which helped to acquaint the freshmen with their school and classmates.

To encourage the "litterbugs" to help keep our brunch period, and in co-operation with our Clean Up Campaign, the Sophomores painted the refuse cans to help lighten and brighten the physical appearance of the school.

They also supported the school, attending and participating in such activities as school sports events, the sale of student body cards, and the Christmas Formal.

Under the able direction of Mr. Dave Eakin the class of '60" showed their ability to handle the problems which will face them next year as Juniors.

Freshman Class

The largest class at Hillsdale—the Freshmen—soon adapted itself to busy high school life.

At the "get acquainted" Big and Little Sister Tea, freshmen girls were introduced to their "Big Sisters", who answered their questions about Hillsdale.

The never-to-be-forgotten Senior Bow Day was a highlight in the freshmen fall semester.

All freshmen enthusiastically supported school functions, and sold at concessions at various games. They also successfully planned and put on the traditional freshman football rally to bolster spirit for the games.

Taking gifts to handicapped children was one of the ways in which the freshmen helped the community.

Their fun night, on April 11, in the boys' gym and the cafeteria, was one of their most successful activities.
